Ryan Dutton, Digital Designer

Experience

Graphic & Web Designer, Harrix Group

Dec 2021 - Present

- Successfully delivered high-quality websites by utilizing Figma for prototyping and Elementor/WordPress for development, ensuring alignment with client requirements.
- Enhanced brand identities for clients by creating assets and mock-ups using Adobe Creative Suite, resulting in visually cohesive branding initiatives.
- Collaborated with cross-functional team members to efficiently complete tasks and meet project deadlines.
- Presented project updates and insights to CEO and CFO during weekly team meetings, ensuring effective communication and alignment with key stakeholders.
- Developed keen attention to detail through overseeing a billboard campaign across London.

Freelance Digital Designer, MR Studio

Jan 2020 - Dec 2021

- Successfully researched and developed original designs that met client briefs.
- Presented ideas to key stakeholders and effectively incorporated feedback into design concepts.
- Collaborated with a team to produce high-quality work with meticulous attention to detail and adherence to strict deadlines.
- Produced diverse commercial projects including brand identities, websites, and packaging designs.
